

Gumnuts at Rangeview Pre-School

Is your three year old ready for something new in their week?

Designed and run by qualified early childhood educators, Gumnuts is a play based learning program, giving three year olds the opportunity to:

- learn through play
- enjoy stories, games and songs
- gain confidence and independence
- develop social skills
- develop their skills with puzzles and other educational experiences
- listen and follow simple instructions
- learn through social experience
- develop their ability to share and cooperate
- and most importantly have fun!

Run in Rangeview Pre-School's dedicated three year old room, this group is for children who have turned three. They may be already in a formal three year old pre-school program or be due to commence one the following year. Children may join the program anytime after their third birthday subject to places being available.

Gumnuts will run on **Thursdays from 9:15-11:45am.**

Please note participation in Gumnuts does not entitle children to a place in Rangeview Pre-School's formal three year old program.

For questions, fees and enrolment information please contact gumnuts@rangeviewpreschool.vic.edu.au
